HCO POLICY LETTER OF 21 NOVEMBER 1962

RE-ISSUE OF MATERIALS

It is forbidden to re-issue Scientology technical data in bulletins and policy letters by a Central Org or office over some other signature than mine.

Culling bits out of a tape and issuing over the signature of the D of T or some such, as has been done in Australia, is not only an alter-is, it is also terribly confusing and opens the door to 1950 where countless "authorities" sprang up after lecture and "developed" a "new technology". I took responsibility of origin of my materials at that time to prevent further chaos and spinning pcs. I have never relaxed that responsibility and we have done well.

If you excerpt tapes or notes, do so over my name, not somebody else's.

Materials for dissemination to the public can be of course rewritten and published so long as no confusion as to origin is generated.

Issues of materials of mine under other names without credit is the most destructive action that can be undertaken as it splinters the whole of Scientology.
