**ETHICS: CLEARING COURSE**

Whenever a Clearing Course Student is found guilty by Ethics of serious non-compliance of Clearing Course instructions, blowing from Course, misuse of Clearing Course material, communicating about the Clearing Course to anyone (which includes Clearing Course students) other than the Clearing Course Supervisor or a Review auditor properly assigned to the case or of any action resulting in action having to be taken by Ethics, an Ethics investigation is to be ordered immediately by the HCO Exec Sec, St Hill to find who was responsible for allowing such a security risk on to the Clearing Course and make recommendations.

The Clearing Course Supervisor may demand of the HCO Exec Sec that a Committee of Evidence be called if he/she is of the opinion that the security of the Clearing Course is threatened and no action is being taken.

**ETHICS**

**CLEARs, INVALIDATION OF**

Spreading false tales to invalidate Clears is a High Crime.

Anyone found spreading libelous and slanderous statements about the alleged behavior of Clears shall be declared Suppressive at once by the first Ethics Officer so hearing of the matter. Investigation should take the form of looking for a criminal background on the person spreading such rumors.

For sixteen years I have been subjected to this type of attack. Now it is being transferred to Clears by Suppressive Persons.

Such attacks are born out of terror of having anyone better or stronger. This is the basic motivation of any SP.

It has been a hard task to bring the shreds of civilization to a scientific barbarism known as "Western Culture".

Quite obviously it will require a long time to get Ethics in on this society. We have not been tough enough.

So get tough.
