HCO POLICY LETTER OF 18 OCTOBER 1967  
Issue III

Remimeo

**POLICY AND HCOB ALTERATIONS**  
**HIGH CRIME**

Recently, during the reorganisation of WW, it came to light that in some Continental orgs EXEC SECS and SECS had on occasion actually ordered that certain Pol Ltrs and HCOBs *were not to be followed*.

This order is an illegal order and any staff following it is guilty of executing an illegal order.

Any executive issuing such an order shall hereafter be considered as committing a high crime which on proof beyond reasonable doubt constitutes a HIGH CRIME and can carry the assignment of the Condition of TREASON for both the person issuing the order and the person who receives and executes it.

All such instances MUST be reported at once to the International Ethics Officer at WW.

Failure to report such an order to the Int E/O when one knows of it carries with it the assignment of a Condition of Liability.

Lines for the amendment of Policy already exist as per other Pol Ltr and until an amendment is legally and completely passed the old policy must be followed.

HCOBs cannot be amended.

**OUT TECH**

ANY AND ALL *published* mimeoed out tech processes or “recommendations” or “interpretations” not written or signed by myself must be sent to the International Ethics Officer at WW with any information on their authorship or origination so that Conditions may be assigned and broad cancellation can be issued by the International Ethics Officer.

The reason for this is the discovery of a process on page one of the Org Exec Course checksheet of 21 Sept 67 which would ruin any student’s case, his interest in admin and which would deter enrolment.
